

Local Response | National Support

For more than 50 years, AlliedBarton has been the premier provider of security officer solutions. As the largest American-owned and managed security services company in the country, we serve over 3,000 customers nationwide including more than 200 Fortune 500 companies.

Our local response allows us to meet the specific needs of customers. Our national support enables us to create and consistently deliver these programs with expertise.

Local Response

Recruiting – Concentrated recruitment programs through local resources paired with national applicant tracking and screening programs.

Professional Personnel – More than 50,000 highly trained security officers across the country with industry-leading retention rates.

Over 100 District and Regional Offices – Security officers supported by district teams and account and operations managers to maximize customer satisfaction.

Empowered Account Management – Knowledgeable management resources focused on account details of customer security programs.

Seamless Transition – Solid management planning set in place to achieve efficient and successful transitions of security programs.

National Support

The AlliedBarton EDGE® (E – Educate, D – Develop, G – Grow, E – Engage) – Our professionally designed and executed approach to training that offers employees a variety of quality learning and development programs and tracks compliance to ensure customer needs are met. Our comprehensive platforms including the Security Officers' EDGE®, Managers' EDGE® and Leaders' EDGE® are available online at AlliedBartonEDGE.com.

Service Assurance Centers – Through *Post Watch™* technology, our real-time check-in, staffing and record-keeping system, we ensure the right people with the right skills on post at every location.

Industry Specific Services – Customer access to industry experts combined with specialized training programs allow for the unique demands in specific markets including:

- › Manufacturing and Industrial
- › Chemical and Petrochemical
- › Government Services
- › Commercial Real Estate
- › Colleges and Universities
- › Healthcare Facilities
- › Financial Institutions
- › Residential Communities
- › Shopping Centers

Value Added Services

Background Screening Division – Accurate drug-testing, employment verification, fingerprinting and identity protection solutions through HR PlusSM.

Temporary Services – Comprehensive short-term security solutions on demand.

National Accounts Programs – Management structure dedicated to consistency and efficiency across accounts with multiple locations.
