Taking the Lead in Supplier Diversity

The AlliedBarton | Supplier Diversity program proactively identifies and develops diverse vendors, contractors and consultants for strategic, value-adding and sustainable partnerships.

As an AlliedBarton client, you receive accurate, scalable, customer-valued Minority, Women, Veteran, or Small Business Enterprise (MWVSBE) compliance and reporting through the supplier diversity program.

AlliedBarton is the leader in the security industry in the area of supplier diversity. We aim to be recognized as a best-in-class organization by advocates of diverse suppliers.

Your Goals, Our Commitment

Meeting your supplier participation goals is easy when you are an AlliedBarton client. It is our goal to expand opportunities for diverse businesses so that we can provide the best quality services to our clients.

AlliedBarton embraces supplier diversity as part of our corporate culture. The commitment starts at the highest levels of the organization and is echoed by our clients.

Our Program

The AlliedBarton | Supplier Diversity program includes:

- An internal advisory committee that helps to ensure that customer-driven initiatives are always given priority and that everyone’s needs are met.
- Supplier diversity plans that integrate sourcing processes and strategies to broaden the inclusion of diverse business enterprises in daily purchasing decisions for services and commodities.
- Proactive outreach to diverse businesses through diverse development organizations and procurement events.
- Collaboration with clients to ensure second-tier diverse spend amounts are accurate and in support of their own corporate diversity goals.
- Information to help both internal purchase decision makers and suppliers understand our supplier diversity strategy and commitment.
- Regular reporting and monitoring to help ensure alignment with your diversity strategy.
- AlliedBarton’s mentor program which develops suppliers through education, advice, counseling, business opportunities, business development, technology support and more.

Supplier Registration

If you are interested in becoming part of the AlliedBarton | Supplier Diversity program, you can register to be considered. We will contact companies that meet our requirements when opportunities exist to support business needs.

To participate, your company needs to qualify as one of the following:

- Minority-and-Women-Owned Enterprise (M/WBE)
- Veteran and Service Disabled Veteran Business Enterprise (V/DVBE)
- Small Business Enterprises (SBE)
- Historically Underutilized Business Zone (Hubzone)
- Disadvantaged Business Enterprise (DBE)
- Certification by one of the following: National Minority Supplier Development Council (NMSDC); Women's Business Enterprise National Council (WBENC); Small Business Administration (SBA); or approved State, City or Local Government Municipalities
